

### REMARKS

Minor amendments have been made to the specification and various pending claims of the present application. The present amendments to the claims principally serve to change the term "defect" (or variations thereof) to "inconsistency" (or variations thereof) and "invention" to "present disclosure". No new matter has been added into the application.

If the Examiner has any questions concerning the present amendment it is requested that the undersigned be contacted at (248) 641-1229 to discuss same.

Respectfully submitted,

Dated: April 6, 2007
